

NOTICE TO THE PUBLIC BUILDING CLOSURE

In keeping with current precautionary measures to prevent the spread of COVID-19, all Borough of Fort Lee buildings are completely closed to the public until further notice.

These closures are out of an abundance of caution and align with current suggested prevention measures. Please continue to monitor the Borough's website www.fortleenj.org and our social media platforms for further updates.

While the health and safety of our staff and residents are our utmost priority, we also recognize the importance of many of the services we provide. Therefore, in order to ensure the continuity of essential services, Borough Offices will be open on a limited basis electronically, via email or on the phone.

Accordingly, please utilize the Directory below for immediate assistance.
